9/11 Memorial Dinner

Say
"THANK YOU"
to our local
Firefighters on
September 11, 2006

The Green Valley Elks Lodge is hosting a 9/11 Memorial Dinner to honor our local Firefighters and to memorialize the Firefighters who lost their lives on 9/11/01.

We are extending this invitation to "all" citizens of Green Valley.

Those who attend will have the pleasure of meeting our local Firefighters and an opportunity to show our appreciation.

Last year Green Valley Firefighters and Paramedics responded to more than 8000 calls in our community. For those who may have benefited from one of those calls this is your chance to say "Thank You."

Tickets are priced at \$10.00 per person and go on sale starting Monday, August 7th.
