Saturday Nights Adventure

We had a mini-emergency on Saturday night at the Elks.

The ventilation fan motor in the Women's rest room overheated and started smoking.

Out of an abundance of caution, the Green Valley Fire Department was called and we were inundated by the responding units and evacuated until they were able to determine the cause of the smoke and disconnect the power to the affected unit.

Once the Fire Department left, everyone was able to go back into the building and Hardscrabble Road continued playing and everything returned back to dancing and having a good time.

We have GV Heating and Cooling scheduled to replace the motor and inspect the ventilation unit for the Men's rest room so we should have

everything resolved pretty quickly.

There is some residual smoke odor in the Men's and Women's rest rooms, so we will be getting together a cleaning crew to wipe down walls and hard surfaces to eliminate odor.

Thanks,
Jon Woolley
Chairman of the board

One of our Hoop Shoot participants that went to regionals is going to Chicago!!!!!!

Congratulations to Gabriella!!
